Dear Mr. [REDACTED]

We acknowledge the receipt of your letter addressed to the non-existent team of Krasny Yakor, Parfino Plywood Factory and Murom.

We declare responsibly that there is no such a team.

Parfino Plywood Factory is a subsidiary company of Krasny Yakor, and Murom is an independent company not associated with us.

Regarding the questions you asked, we inform you that we cannot comment on your "General findings", since neither Krasny Yakor nor Parfino Plywood Factory have made any deliveries to the European market since the imposition of sanctions in 2022.

Krasny Yakor and Parfino Plywood Factory supply goods to a large number of countries around the world, including Turkey, China and Kazakhstan.

All our export contracts provide for prohibition of re-export of our goods, so we are not responsible for the further movement of goods.

Regarding the company Intop Group, Kazakhstan, please be advised that we are not aware of this company and we have never had any contacts with this company.

As for your telephone conversation with the so-called representative of the Parfino Plywood Factory, we inform you that negotiations on behalf of the Parfino Plywood Factory and Krasny Yakor can be conducted only by authorized representatives of the above companies. The plants have not granted such authorities to conduct negotiations to anyone.

In accordance with the above, we see absolutely no reason to include our factories in your investigation and insist that they not be mentioned in a negative light.

General Director
